

YOUNG TECH PROFESSIONALS NETWORK

NC TECH's **Young Tech Professionals Network (YTPN)** provides a platform for early-career professionals eager to build connections, sharpen their skills, and grow as future leaders in North Carolina's tech sector.

The network offers opportunities to engage with peers across the state, access professional and leadership development resources, and take part in conversations around innovation, career advancement, and the future of technology.

Open to professionals from early career through mid-30s, the YTPN features exclusive programming, special discounts, and a pathway to greater involvement in North Carolina's thriving tech community.

WHY JOIN THE YTPN?

The YTPN offers targeted opportunities designed to help emerging leaders grow personally and professionally:

- Build meaningful connections with peers statewide and expand your visibility.
- Access professional and leadership development workshops and resources.
- Engage in conversations on innovation, career growth, and the future of technology.
- Enjoy exclusive offers and discounts through NC TECH programs and events.

INVESTMENT

Membership in the YTPN is **\$240 annually**, due at the time of joining.

YTPN membership is open to early-career professionals regardless of whether their employer is an NC TECH member.

However, YTPN membership provides access only to YTPN-specific benefits and programming.

TIME COMMITMENT

Participation in the YTPN is **calendar-friendly!**

There are no mandatory meetings—members connect through monthly virtual workshops, exclusive in-person activities and other NC TECH events. Ongoing updates are shared via a monthly YTPN communication and the YTPN Interest Group within *NC TECH Connect*, our virtual community.
