MONTHLY HIGHLIGHT

WILMINGTON'S STARTUP SCENE CONTINUES RISE

In this month's job trends report, overall tech postings for North Carolina are down; however, that figure is still 41% higher than last year. New rankings for the state and its MSAs make headlines each month, showcasing the strengths and advantages of the state and its strong economic position. One of the more recent rankings from StartupBlink has Wilmington, NC at second in the world for most favorable startup ecosystems among cities with populations between 100,000 and 300,000. This ranking is up 16 spots from last year showing continued efforts by ecosystem partners is paying off. Want to learn more? NC TECH President Brooks Raiford sat down with the Founder of the Network for Entrepreneurs in Wilmington, Jim Roberts, in the latest NC TECH Chat.

RESEARCH UNDERWRITERS

With the support of underwriters, NC TECH commissions + releases research on the state's tech sector for the benefit of our members, and as a resource for policy makers, economic development leaders, and the media. Thank you to the 2022 Research Underwriters. For more information about becoming a Research Underwriter, visit nctech.org/research and select the Underwriter's Menu button.
