MONTHLY HIGHLIGHT

STATE OF TECHNOLOGY IN NORTH CAROLINA

The 2023 State of the Technology Report (STIR) has just been released. The STIR dives deep into how NC compares to other states on Women in Tech, STEM Education Completions, Tech Job Creation, Tech Industry Employment Growth, Venture Capital Funding, Research and Development Spending and many additional categories. NC TECH's research partner, Ted Abernathy with Economic Leadership, will host a live briefing webinar at 9:00 am on March 1 on the annual STIR data and answer questions from media, members, and non-members. Want to learn more?

2023 State of the Technology Industry Report | Live STIR Briefing Registration (Free)

RESEARCH UNDERWRITERS

With the support of underwriters, NC TECH commissions + releases research on the state's tech sector for the benefit of our members, and as a resource for policy makers, economic development leaders, and the media. Thank you to the 2023 Research Underwriters. For more information about becoming a Research Underwriter, visit nctech.org/research and select the Underwriter's Menu button.
