MONTHLY HIGHLIGHT

DIGITAL UPSKILLING FOR RETENTION, RETRAINING, AND K-12 LEARNING

How are you enabling employees, students, and instructors to learn new tech skills? NC TECH recently partnered with Infosys Foundation USA to highlight Infosys Springboard USA, the free digital learning and upskilling program with two customized platforms:

- Digital Academy for Post Secondary & Industry Learners
- Pathfinders for K-12 Educators, Students & Families

Springboard includes over 9,800 courses with curated pathways for learning tech skills such as:

Generative Artificial Intelligence - Prompt Engineering - Blockchain - Cybersecurity - Digital Automation - Internet of Things - Full Stack Development - Microsoft Certifications - Python - Database Management - Design Thinking - Creative Thinking - Building an Agile Mindset

Access Infosys Springboard USA to create an account and get started.

Learn more about Infosys Foundation USA and its mission to close the digital skills gap.

RESEARCH UNDERWRITERS

With the support of underwriters, NC TECH commissions + releases research on the state's tech sector for the benefit of our members, and as a resource for policy makers, economic development leaders, and the media. Thank you to the 2023 Research Underwriters. For more information about becoming a Research Underwriter, visit nctech.org/research and select the Underwriter's Menu button.
